

Biswa Games

Complete Logo Design Specification

1. Logo Overview

The Biswa Games logo is designed as a modern, high-contrast gaming identity. It combines cool and warm color systems to symbolize balance, creativity, and competitive energy. The logo is intended for use across game splash screens, branding, marketing assets, and UI elements.

2. Canvas & Dimensions

Property	Value
Canvas Size	4096 × 4096 px
Main Symbol Height	1708 px
Right Symbol Height	1180 px
Logo Text Width	3957 px
Logo Text Height	317 px

3. Color System

Usage	Hex Value
Left Symbol Base	#63EFFD
Left Gradient Start	#00FFFD
Left Gradient End	#003A70
Right Gradient Start	#FFE341
Right Gradient End	#FC3700
Center Accent Gradient 1	#00C9E7
Center Accent Gradient 2	#46FFBC
Center Accent Gradient 3	#FA6000
Highlight Accent	#FDF6A7
Shadow / Depth	#2A2A2A
Typography Color	#00D4E9

4. Gradient Specifications

Left Symbol Gradient: • Linear gradient • Start Color: #00FFFD • End Color: #003A70 Right Symbol Gradient: • Linear gradient • Start Color: #FFE341 • End Color: #FC3700 Center Divider Gradient: • Multi-stop linear gradient • #00C9E7 → #46FFBC → #FA6000

5. Typography

Font Name: Bitcrusher Font Usage: Brand name text (“Biswa Games”) Font Color: #00D4E9 The font is bold, geometric, and arcade-inspired, reinforcing the gaming identity of the brand.

6. Shading & Depth

All major shapes use a consistent depth shadow color: • Shadow Color: #2A2A2A This creates a pseudo-3D beveled appearance and maintains visual consistency across light and dark backgrounds.

7. Usage Guidelines

- Do not alter color values or gradients.
- Maintain original proportions when scaling.
- Use on dark or black backgrounds for best contrast.
- Avoid adding outlines, glows, or effects not defined in this document.

8. Reference Image
